A newspaper report has indicated that Stainton Quarry management have approached DCC for advice about the possibility of them getting planning consent for a development of 27 houses and a retail unit on the site. Councillor Brown is trying to get some example lay-outs of possible designs for the available space in the playground as it's now looking quite run down and in need of refurbishment. Potentially upgrading it could cost around £15000.00 but a partial refurbishment would could be much less.
