1. **Apologies;** None, all councillors present.
2. **Public present;** None on this occasion.
3. **Declarations of Interest:** - (in Agenda items) - None received.
4. **Dispensations - None**
5. **Minutes of last meeting:-** (20th August 2020) Proposed by NBH, seconded by JT.
6. **Matters arising from last meeting**
 - 6.1 The No Parking signs seem to be having the required result.
 - 6.2 HAL (Highways & Lighting) has been contacted regarding getting a replacement and photos will be sent to pinpoint its location. The recently received RoSPA report comments on it being missing.
 - 6.3 This report also raises some concerns abouts some minor issues with the new playground equipment. None of the issues are serious enough to put any of the play items out of use but Sovereign will be contacted with this information to see if they will make any adjustments.
 - 6.4 No further instances of fly-tipping at the bus stop have been observed but it was noted that the bus shelter had been used as a toilet.
 - 6.5 The grass cutting contract for this season was awarded to Mr Toward. The cuts are as expected but residents thought the earlier cuts were a bit untidy although they seem to be improving now.
 - 6.6 The village hall committee have not reported any progress on their kitchen refurbishment project.
 - 6.7 Northern Powergrid have carried out some of the expected work but the resulting debris was not cleared by the work crew. NBH rang the original contact and asked for it to be tidied up. At the time of this meeting the work crew has still to reach the far end of the village to complete the work.
 - 6.8 The email we sent to Amanda Healy enquiring what safeguarding measures would be in place at the Truck Show to meet Covid-19 restrictions did not receive a reply but it was noted by council members that the police had to be called on several occasions because of traffic issues due to the number of vehicles trying to get onto the showfield.
 - 6.9 Posters will be attached to the play area gates reminding users to use hand sanitiser, maintain social distancing and take all litter home.

7. Financial Report - Payments for approval -:

- 7.1 Grass cutting – awaiting submission of invoice
- 7.2 Clerk’s wage (Sept.) £143.70
- 7.3 HMRC (Sept.) £28.80
- 7.4 PlaySafety – playground inspection report. £86.40

8. Any Other Business

- 1.1 Planters and stone trough at Stainton Grove community centre. Now the centre is closed it would be nice to have the Stainton Grove trough moved to the mini layby at the top of The Crescent. Two of the planters could be relocated to the bench near the on-site bus shelter and the third relocated to Stainton village.
- 1.2 Remembrance Sunday – Due to the current Covid-19 restriction commemoration services are very limited in what can take place – the rule of 6 people meeting in an outdoor location for example. However limited ceremonies are permitted so there will still be a wreath laying at the Memorial Park – details to be confirmed at the October meeting.
- 1.3 Our website provider to be contacted again to confirm that the site is now compliant with the new disability guidelines.
- 1.4 Traffic entering the Quarry from the east of the village seems to have damaged and dislodged some kerb stones from the quarry entrance. This to be reported to HAL to see if it falls under their remit.
- 1.5 A copy of the email sent to TAP confirming Parish Council support for the village hall kitchen upgrade to be sent to JT.
